

PRESS RELEASE

September 2011

Naturally award winning food and drink innovation from Northern Ireland

Northern Ireland Naturally (C309) will showcase around 200 food and drink products from 30 companies including many which have recently achieved international recognition in high profile competitions such as the UK Guild of Fine Food's Great Taste Awards for quality and innovation.

On show will be a broad range of original ideas for tasty snacks, convenience meals and 'food to go'.

The stand is organised by Invest Northern Ireland, the region's business development organisation which offers services to help foodservice organisations source quality food and drink from Northern Ireland suppliers (www.buynifood.com).

All the companies featured on *Northern Ireland Naturally* have experience in supplying UK customers and in working closely with them to develop innovative products that meet their specific requirements.
