

## **Yum Yum Bros Food Company**

Yum Yum Bros Food Company is a dynamic new business created behind a passion for developing & marketing top quality, 'great tasting' food products for both the food service & retail sectors

We first produced a complete range of great tasting, energy bars with natural ingredients for all types of activities, from mountain climbing to kids' school lunch boxes.

We then moved onto making a delicious range of bars, slices, 'bites' & muffins which are ideal for either nibbling on the move, or sharing with family & friends.

Our philosophy is simple, we carefully combine delicious ingredients and bake with other delicious ingredients to produce what we hope you'll agree are a mouth-watering range of products; morish & satisfying at any time of the day!

***We have three great ranges.....***

***Energy....*** We've done a lot of research & spent many months developing a 'best in class' range of energy products, commencing with our 'Original Bar', which is a superb energy snack for any occasion through to bars which are specifically designed for kids, moving onto a trio of very specific energy bars marketed particularly at adults; we have a **"energy bar for every occasion"**

***Ndolge.....***a ridiculously deliciously indulgent range of bars, muffins & bites, packed full of the finest ingredients; to satisfy both those daily hunger pangs, or just when you fancy "a bit of a treat".....  
Pure decadence!

***Oh My Goodness.....***superb combinations of cereals, honey's & different varieties of fruits.....all bursting with flavour; 'nature's best', simply combined & carefully baked together, to produce healthy nourishing snacks that really are **'good for you'!**

Treat yourself & enjoy.....!
